Product Description

1.9 inch Ultra-Thin Small LCD Touch Screen for Instrumentation

Product Description:

Small LCD Touch Screen CH190QV01A-CT is a perfect solution for your device applications. It's made of high quality materials and boasts a compact size, with an active area of 22.7*42.72mm and a module size of 26.8*72*2.28mm. Its contrast ratio is 800:1, display mode is IPS/Normally Black/Transmissive and has a storage temperature of -30°C~70°C. It also has a special touch screen design that gives you a better and clearer view. With its superior performance, small size and lightweight design, this Small LCD Touch Screen is ideal for all kinds of applications. It is perfect for industrial, medical, consumer and automotive applications. Its small size makes it perfect for embedded systems and other small-scale devices. It is also easy to install and use, making it the perfect choice for all your Small LCD Touch Screen needs.

Module No	CH190QV01A-CT
Resolution	170x320 Pixels
Backlight Brightness	300 cd/m2
Viewing Direction	80/80/80/80
FPC Pin Numbers	30pins
color	695K
Contrast	800:1

Features:

Product Name: Small LCD Touch Screen

FPC Pin Numbers: 30 Pins

Viewing Area: 23.1*43.12 Mm

Storage Temperature: -30°C~70°C

Touch Panel Interface: I2C

Module Size: 26.8*72*2.28 Mm

Technical Parameters:

Parameter	Value
Touch Type	Capacitive
Active Area	22.7*42.72 Mm
Touch Panel Interface	I2C
Touch Panel IC	CST328
Module Size	26.8*72*2.28 Mm
Driver IC	ST7789V
Viewing Area	23.1*43.12 Mm
Color	65K
Operating Temperature	-20°C~60°C

Applications:

Small LCD Touch Screen

Chenghao Optoelectronic's Small LCD Touch Screen is a perfect solution for a variety of applications. With a viewing area of 23.1*43.12 mm, a luminance of 300 cd/m2, a resolution of 170*320 pixels, a contrast ratio of 800:1, and a capacitive touch type, the Small LCD Touch Screen offers great performance for small applications. Its compact design allows it to easily fit in any environment. Moreover, it is certified by RoHS, CE, and FCC, and comes with no minimum order quantity, making it ideal for small and large projects alike. Packaged with care, the Small LCD Touch Screen is shipped within 3-7 days of purchase, and payment is accepted via TT. With a supply capacity of 300K pieces per month, the Small LCD Touch Screen is a reliable solution for many applications.

Customization:

Small LCD Touch Screen Monitor

Brand Name: Chenghao Optoelectronic

Model Number: CH190QV01A-CT

Place of Origin: China Shenzhen

Certification: RoHS, CE, FCC

Minimum Order Quantity: NO MOQ

Packaging Details: All the products are packed in right way to keep it safe. For small sizes of products we use tray + carton, For bigger sizes we use foam slot + carton. We also design packages according to customers' requirements.

Delivery Time: 3~7 Days

Payment Terms: TT

Supply Ability: 300K pcs/month

Touch Type: Capacitive

Resolution: 170*320 Pixels

Storage Temperature: -30°C~70°C

Viewing Area: 23.1*43.12 Mm

Color: 65K

Our Small LCD Touch Screen Monitor is perfect for applications that require a combination of a small size and a high-quality capacitive touch screen. This small LCD display has a resolution of 170*320 Pixels, a viewing area of 23.1*43.12 mm and a storage temperature of -30°C~70°C. This product can be certified by RoHS, CE and FCC and has a minimum order quantity of NO MOQ. We have 300K pcs/month supply ability and can deliver it within 3~7 days. Our products are all packed in right way to keep it safe.

Support and Services:

Small LCD Touch Screen provides technical support and service to ensure the user experience of our products. We offer customer service to help with any questions or concerns regarding the product. Our technical support team can provide advice and assistance with installation, operation, and maintenance of the product. We also provide online resources to help customers troubleshoot any issues they may have. For any further assistance, customers can contact us by phone or email.

Packing and Shipping:

Packaging and Shipping

The Small LCD Touch Screen will be packaged in a sturdy box suitable for shipping.

Shipping will be via a reliable and trackable delivery service, such as UPS, FedEx, or DHL.

FAQ:

Q: What's the brand name of this product?

A: The brand name of this product is Chenghao Optoelectronic.

Q: What's the model number of this product?

A: The model number of this product is CH101WX05A-CTB.
Q: Where is this product from?
A: This product is from China Shenzhen.
Q: What certifications does this product have?
A: This product has RoHS, CE and FCC certifications.
Q: What's the minimum order quantity?
A: There is no minimum order quantity for this product.
