

Free Viewing Angle Lcd Display Module 50000h Life Span 50 Pins Fpc 10.1 Inch Custom

Our Product Introduction

for more products please visit us on chenghaolcd.com

Basic Information

- Place of Origin: China Shenzhen
- Brand Name: Chenghao Optoelectronic
- Certification: CE RoHS FCC
- Model Number: CH101WS03A-T
- Minimum Order Quantity: 100 pcs
- Packaging Details: All the products are packed in right way to keep it safe. For small sizes of products we use tray + carton, For bigger sizes we use foam slot + carton. we also design packages according to customers' requirements
- Delivery Time: 3~7 Days
- Payment Terms: TT or Others
- Supply Ability: 50000000 pcs/month

Product Specification

- Features: Support For Touch Feedback; Equipped With HDMI Interface Driver Board; Support For A Free Angle; Supports A Wide Temperature Environment
- Product Name: 10.1 Inch Ips Display
- Storage Temperature: -30 °C ~ +80°C
- Display Brightness: 1000 Cd/m2
- Working Power Supply: DC12V/2A
- Operating System: Windows Linux MAC OS etc
- Display Size: 10.1 Inch
- Touch Panel Interface: USB
- Application: Industrial Equipment
- Highlight: **free viewing angle lcd display module, 50 pins fpc lcd display module,**

Product Description

Product Description:

This LCD Display Module is a 10.1 "TFT Lcd, with a resolution of 1024 * 600 Dots and a viewing angle of 80/80/80/80. It is a All Viewing Angle display, with an IPS display screen, Resistive touch panel and HDMI board, and has been certified by CE and RoHS. The display module supports customization and can be modified according to customer requirements, including FPC appearance structure, TFT interface, backlight brightness, etc

Features:

Product Name: LCD Display Module

Module No: CH101WS03A-T

Active Area: 222.72*125.28 Mm

Color: 16.7M

Module Type: 10.1"TFT + RTP + HDMI Board

Working Power Supply: DC12V/2A

Display Certification: CE,RoHS

Features:

Color Display Screen

IPS Display Screen

10.1 Inch Display

Technical Parameters:

Attribute	Parameters
Display Operating Temp	-20 ~ +70°C
Application	Industrial Equipment
Display Backlight	White LED
Display Life Span	50000H
Display Certification	CE,RoHS
Display Operating Temperature	-20 °C ~ +70°C
Viewing Direction	80/80/80/80
Touch Panel Interface	USB
TFT Lcd Panel Interface	HDMI
Touch Panel Type	Resistive
Color TFT Screen	10.1 inch Display
LCD Module	Yes

Applications:

The CH101WS03A-T TFT LCD display screen of Chenghao Optoelectronics is a 10.1-inch display module equipped with a TFT panel and HDMI board. It has the characteristics of anti glare and temperature resistance (-20~+70 °C), making it an ideal choice for industrial applications. The active area of this module is 222.72 * 125.28 mm, supporting interfaces such as LVDS, SPI, RGB, MCU, MIPI, etc. There is no minimum order quantity and the supply capacity is 20000000 pieces/month. The products are packed in a safe way, with trays and cartons in small sizes and foam tanks and cartons in large sizes. Provide customized packages. The sample delivery time is 3-7 days, and the payment method is TT or other methods.

Support and Services:

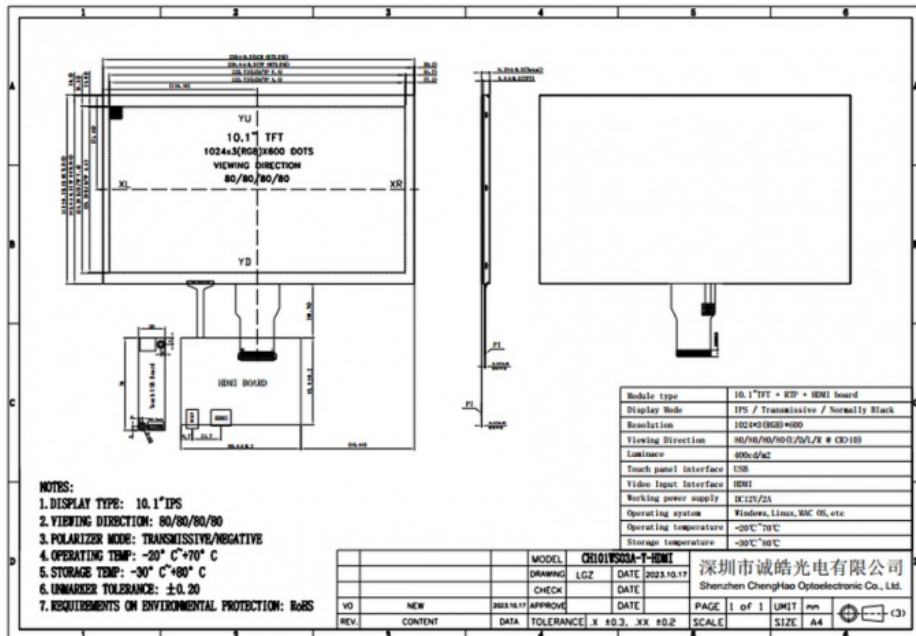

We provide technical support and services for our LCD display modules. Our technical team is committed to helping you find the best solution to meet your needs. We provide technical support through email, phone calls, and real-time chat. Our expert team can help you solve technical problems such as design customization and sample debugging of display screen modules. We also provide comprehensive customization, maintenance, and warranty services for your LCD display module. If you need any other assistance, our customer service team is always available to assist you.

Packing and Shipping:

Packaging and Shipping for LCD Display Module:

Packaging: LCD Display Modules are packaged in antistatic bags with foam padding for extra protection.

Shipping: LCD Display Modules are shipped via air freight or ground transport.

FAQ:

Q:What is the brand name of this LCD Display Module?

A:The brand name of this LCD Display Module is Chenghao Optoelectronic.

Q:What's the model number of this LCD Display Module?

A:The model number of this LCD Display Module is CH101WS03A-T.

Q:Where is this LCD Display Module from?

A:This LCD Display Module is from Shenzhen, China.

Q:What certifications does this LCD Display Module have?

A:This LCD Display Module has CE, RoHS and FCC certifications.

Q:What is the minimum order quantity of this LCD Display Module?

A:There is no minimum order quantity for this LCD Display Module.
