

## 10.1inch Size Color Screen Tft Lcd Module 1024x600 Pixels Lcm

### Our Product Introduction

for more products please visit us on [chenghaolcd.com](http://chenghaolcd.com)

#### Basic Information

- Place of Origin: China Shenzhen
- Brand Name: Chenghao Optoelectronic
- Certification: CE RoHS FCC
- Model Number: CH101WS03A-T
- Minimum Order Quantity: 100 pcs
- Packaging Details: All the products are packed in right way to keep it safe. For small sizes of products we use tray + carton, For bigger sizes we use foam slot + carton. we also design packages according to customers' requirements
- Delivery Time: 3~7 Days
- Payment Terms: TT or Others
- Supply Ability: 50000000 pcs/month

#### Product Specification

- Module Type: 10.1" TFT + RTP + HDMI Board
- Resolution: 1024x600 Pixels
- Storage Temperature: -30 °C ~ +80 °C
- Display Viewing Angle: 80/80/80/80
- Display Size: 10.1 Inch
- Display Operating Temperature: -20 °C ~ +70 °C
- Display Brightness: 1000 Cd/m2
- Active Area: 222.72\*125.28 Mm
- Highlight: 10.1inch size tft lcd module,  
1024x600 pixels tft lcd module,  
1024x600 pixels tft module

## Product Description

### Product Description:

The LCD display module of TFT display manufacturer adopts TFT LCD and touch panel design with USB interface. It is equipped with an HDMI interface driver board and supports free viewing angles. It also features a USB touch panel interface that supports touch feedback and a wide temperature environment. This LCD display module is an excellent choice for industrial applications.

### Features:

Product Name: LCD Display Module

Operating System: Windows, Linux, MAC OS, etc

Display Brightness: 1000 Cd/m<sup>2</sup>

Application: Industrial Equipment

Touch Panel Interface: USB

Display Resolution: 1024\*600 Dots

IPS Display Screen

LCD Module

Color Display

### Technical Parameters:

Features	Display Life Span
Support For Touch Feedback; Equipped With HDMI Interface Driver Board; Support For A Free Angle; Supports A Wide Temperature Environment	50000H
LCM Outline	Display Operating Temp
235*143*6.29 Mm	-20 ~ +70°C
Active Area	Color
222.72*125.28 Mm	16.7M
Storage Temperature	Working Power Supply
-30 °C ~ +80°C	DC12V/2A
Display Viewing Angle	Display Size
80/80/80/80	10.1 Inch PS:1280x480 LCD, LCD Display Module, TFT LCM

### Applications:

Chenghao Optoelectronics CH101WS03A-T 10.1 "TFT LCD module is a display module with a resolution of 1024x600, a screen of 10.1 inches and a contrast of 800:1. It has passed CE, RoHS and FCC certification, and has no minimum order quantity. It is packaged in a safe way, with small trays and cartons, large foam tanks and cartons. It can also be customized to meet customer requirements. It is equipped with TFT LCD panel interface and HDMI board, and the lcm shape is 235 \* 143 \* 6.29mm. Storage temperature The temperature range is -30 °C~+80 °C, and the supply capacity is 50000000 pieces/month. Delivery time is 3-7 days, payment method is TT or other methods.

### Support and Services:

LCD display module technical support and services

We provide technical support and services for our LCD display module products. Our expert team can answer your questions and collaborate with you to solve any technical issues you may encounter.

We provide:

24/7 telephone support

Real time chat support

Email Support

Remote online technical services

12 month warranty

### Packing and Shipping:

1. All of our shipping boxes meet the export hardness standards
2. All of our boxes will be padded with foam inside to prevent screen damage
3. Our product packaging adopts a large box with small boxes
4. The weight of each box does not exceed 3.5 kilograms, and the dimensions may vary depending on the standard. We will use pallets or wooden frames for the goods

The above packaging methods are all to prevent damage to the display module during transportation, and we can also package the goods according to the customer's wishes.

### FAQ:

Q: What is the brand of this LCD Display Module?

A: The brand name of this LCD Display Module is Chenghao Optoelectronic.

Q: What is the model number of this LCD Display Module?

A: The model number of this LCD Display Module is CH101WS03A-T.

Q: Where is this LCD Display Module made?

A: This LCD Display Module is made in China, Shenzhen.

Q: What certifications does this LCD Display Module have?

A: This LCD Display Module has CE, RoHS, and FCC certifications.

Q: What is the MOQ for this LCD Display Module?

A: There is no MOQ for this LCD Display Module.
